Early Admissions Exercise for ITE students [EAE(ITE)]
Quick Tips on Application Write-up and Preparation of Portfolio

1. What you can tell us in your application write-up

For your online EAE(ITE) application, you have to provide a write-up of not more than **600** characters (including spacing and punctuation) for each course choice.

- Share about aptitude for applied learning that is related to the diploma
- Write about your interest and talent in the areas related to the course that you are applying for

You may also provide a write-up of not more than **1000** characters (including spacing and punctuation) on your participation in activities (e.g. CCA), achievements and leadership qualities in the "other achievements/talent" page within the online application.

2. Medical Requirements

a) Refer to [TP website](#) for more information on TP courses.
b) Check if you meet the [medical requirements](#) of the courses, which can be related to colour vision, hearing and other medical conditions.
c) If you have any enquiry on support for students with Special Educational Needs (SEN), please contact SEN Support Office at 6780 5959 or email care@tp.edu.sg.

3. Preparation of Portfolio & Interview

If you are shortlisted for an online or face to face interview and/or aptitude test, do prepare and submit your portfolio, when requested. The following documents may be included in your portfolio:

- All ITE Statement of Results/Academic Transcripts
- CCA transcripts
- Certificates / awards
- Letters of recommendation or testimonials from mentors or former employers
- Evidences of work attachments (within/outside school) / involvement in course-related projects (if any). You are not required to include any evidence if you have no work attachment done
- Where relevant, personal design work, drawings, samples of creative work done, etc.
